NOTICE

This is to inform all concerned that Rajiv Gandhi University (RGU) had earlier sent us the RGUCET 2025 score sheet for the preparation of the merit list of applicants seeking admission to the LL.B 1st Semester. However, it was later observed that there was a discrepancy of 2 **marks** in the result declared by RGU and the original score sheet which was provided to us.

Based on the initial data, the merit list was duly prepared. Subsequently, on 5th August 2025, RGU provided new scoresheet, adding 2 **additional marks uniformly to all candidates** who appeared for the examination.

Since this revision applies equally to all candidates, **there is no change in the merit order or rankings**. Therefore, the merit list published by our college on 31st July 2025, along with the **Counselling-cum-Admission Notification, remains unchanged**.

Accordingly, the admission schedule will proceed as earlier announced, from 11th to 13th **August 2025**.

All candidates are advised to follow the original schedule and instructions as per the previous notification dated 31/07/2025.
